

SAMPLE EMPLOYEE SECURITY PERCEPTION SURVEY  
c/o www.DrSteveAlbrecht.com

“Your answers to this anonymous survey will help us improve our safety, security, and risk management policies, procedures, and devices for our offices and facilities. Please circle your best answer and provide any comments at the end.”

1. How would you rate our City’s written security policies and procedures?

- a. don't have any or don't know if we have any
- b. needs improvement
- c. adequate
- d. excellent

2. How would you rate our City’s access control policies and procedures (badges, key card systems, door locks, visitor controls)?

- a. don't have any or don't know if we have any
- b. needs improvement
- c. adequate
- d. excellent

3. How would you rate our City’s physical security protections (cameras, lighting, entry alarms, panic alarms)?

- a. don't have any or don't know if we have any
- b. needs improvement
- c. adequate
- d. excellent

4. How would you rate our City’s perimeter security protections (exterior lighting, parking lot security, landscaping, trespasser response)?

- a. don't have any or don't know if we have any
- b. needs improvement
- c. adequate
- d. excellent

5. How would you rate our City's emergency evacuation policies and procedures (active shooter, fire, weather, disaster)?

- a. don't have any or don't know if we have any
- b. needs improvement
- c. adequate
- d. excellent

6. (If applicable): How would you rate our City's security guards, in terms of protection and service? (Or Law Enforcement, if no security guards.)

- a. no interaction with them
- b. needs improvement
- c. adequate
- d. excellent

7. In the rare event of an active shooter in our facility, you have been told about or trained in the concept of "Run-Hide-Fight."

- a. True
- b. False

8. If you were ever concerned about a troubled co-worker (angry, depressed, suicidal, disturbed, hostile, bullying, threatening), would you feel comfortable reporting it to our City stakeholders (HR, Security, risk management, safety team, legal, directors, managers, supervisors)?

- a. No
- b. Maybe; it depends on the situation.
- c. Yes

9. If you reported threatening behaviors or comments from a troubled co-worker, do you believe our City stakeholders would respond immediately and effectively?

- a. don't know if they would or not
- b. needs improvement
- c. adequate response
- d. excellent response

10. Please add any specific comments or concerns related to your answers. If we need to make changes, tell us what they are and why.
